Dear Friend of C.L.M.,

2017 has been another monumental year. Here are a few of the blessings that we have experienced:

- Lynn, our office manager, had an amazing recovery from open heart surgery
- Men's and Ladies' Prayer Advances were stellar
- Student Prayer Advance was unbelievable
- Prayer Advance West was the best ever
- Sold our travel trailer and secured a smaller travel trailer (only 5,800 pounds)
- Published three NEW books this fall
- Christ Life Radio (christliferadio.com) was launched (\$6,000 investment)

We are energized with fresh purpose, passion, focus, energy, vision, and burden!

What a blessing to have friends like you who take a serious interest in Christ Life Ministries. We sure appreciate and thank the Lord for your investment in this revival work.

Plans are to undertake a series of publications called the Extraordinary Series. These books will feature subjects like: Fathers, Mothers, Parents, Men, Wives, Teenagers, Prayer, etc.

We have been invited back to the Philippines for their annual Prayer Advance (Men's, Women's, and Student's). The Philippines' Prayer Advance is scheduled for June 17-24.

All year-end gifts will go toward the Philippines' Prayer Advance, distributing literature, and the ever increasing ministry expenses. Our "Affordable Health Care" yearly premiums for Lynn, Deb and I will be \$40, 838.64 next year, if we keep the same policy.

Thanks so much for assisting us as we are "pulling out the stops" and going ALL OUT next year.

Every blessing on you and yours.

Your Servant for Revival,
