Testimonies

The Prayer Advance was an “incredible” blessing to my life. God used His Word to impact me in the areas of unbelief like never before. The Men’s Prayer Advance is a must for me and all the men in my church for years to come!
– Pastor Mark Hopkins

The men of our church made many significant, practical, life-changing decisions at this year’s Men’s Prayer Advance. Before leaving the Advance, we determined not to give in or go back to the old ways. For that reason, we decided to meet once a month for a prayer meeting that we are calling “Stoke the Fire.” At this meeting we plan to hold one another accountable for the decisions made, confess our sin and failures, and press on toward higher ground. God did a great work in our lives, but we want to press on toward more. MORE of Him, MORE of His power, MORE for our families, MORE for our ministries, MORE FOR HIS GLORY!
– Stanley Long

At the Men’s Prayer Advance this year I was challenged to ask God to do the impossible. The message so provoked my heart that my family and I decided to ask God to perform one miracle each month!
– Pastor Warren Brown

What a success! What a thrill! What a joy to be a part of this magnificent thing. I believe God was in it from start to finish and no doubt fruit is being produced as I write. The selection of the preachers, the majestic singing, the testimonies and the structure of the prayer times were all used to bless my soul beyond measure.

Running to Win!

MEN'S PRAYER ADVANCE

January 29-31, 2009 - Goshen, VA

April 23-25, 2009 - Gore, VA

A Personal Note to You . . .

The Champions of Faith directory in Hebrews 11 is followed with these words, "Let us run with patience the race that is set before us." Here life is pictured as a contest, and races are run to be won!

God's first man, Adam, was created for authority. God charged him to manage the garden, multiply, and have dominion. We may have lost through Adam in Eden, but today we can WIN through Christ. The Dominion Mandate means grace can recover what sin has destroyed.

Winning Requires Discipline. As athletes exercise to prepare for competitive events, we must exercise ourselves to godliness. The Apostle Paul whipped his body into submission. He was not interested in "runner up"; he wanted the First Place!

Winning Requires Focus. Achieving your goal requires fixation on your assignment. Paul stated, "I press toward the mark," which means "I move along the line which leads toward the finish line." You must keep your eye on the goal!

Winning Requires Diligence. Before a man builds a tower he sits down and counts the cost. Your assignment requires strategic planning and execution. Don't waste your time beating the air. Your destiny calls for diligence.

This Advance will empower you to purpose, prepare, and plan for victory. You will be instructed and inspired to go for the Crown because we are Running to Win!

Your Expectant Servant,

Harold Vaughan

Running To Win Workshops

One reason men dislike church is because most churches are built around the desires and needs of women and children. Decades of humanism, socialism, and feminism have eroded masculinity in our generation. Instead of rebuking masculine virtues, the Prayer Advance ESTEEMS and ENCOURAGES them!

Vince Lombardi said, "Winning is not the main thing, it's the ONLY THING!" This Advance is about grooming God's men to win.

Your Condition is your Concern. In many things, your environment exists with your permission. God's power, provision, and promises are yours for the taking. Yet like Israel, the conquest of your Promised Land must be taken by faith and action.

Before you Change, you must Confront. You cannot change what you are unwilling to confront. One sure mark of maturity is the willingness to deal with every thing God's light reveals.

Before you Conquer, you must Choose. Life is all about choices. Because choices determine consequences, tomorrow's triumphs are determined by what you do today. Victory is not something you observe; it is something you must pursue!

Two Advances in Two Locations

Due to capacity crowds last year we will sponsor two Men's Advances in 2009. Space is limited, so it pays to REGISTER EARLY!

Large groups requesting to be housed together should send in their registrations together. Every attempt will be made to honor rooming requests.

All registrations include 2 night's accommodations, 5 meals, all sessions, and the use of all conference facilities.

January 29-31 – Rockbridge Alum Springs, Goshen VA

This excellent facility near Lexington, VA will serve as the location for the Advance in January (Linens will be supplied for this Advance).

Standard Lodging: These rooms are spacious and very nice! Each section in the quad-plexes has comfortable bunks which hold eight to fourteen people.

Semi-private and Private: For those desiring more privacy, there are a limited number of apartments that have two bedrooms with a shared bath. One of these bedrooms has a queen bed and the other has a bunk bed. Overflow registrations may be housed at a nearby Christian Camp. A list of area hotels can be viewed on our web site.

April 23-25 – Pine Creek, Gore, VA

This new facility is extremely nice and conveniently located near Winchester, VA. The motel-like rooms and retreat houses are furnished with bunk beds. Each motel room houses six people.

Depending on the number of registrants, a few rooms may be available for private or semi-private use.

You must supply your own linens, towel, and pillow for this Advance!

Private and Semi-private Policy

Registrations for these rooms will be assigned in the order they are received. Semi-private registrations **must** be mailed together along with payment.

Cancellations

Cancelled registrations are refundable (less a \$20 processing fee) up to 30 days prior to the Advance. After that registrations are transferable to another person for this Advance only. Registrants must notify our office of replacements. No refunds can be given.
